# Sunnyside Newsletter

It's been a quiet week here at Sunnyside and we have missed all of our children who have been isolating! We are really looking forward to seeing you all back next week.

Our children at home have worked incredibly hard and we are really proud of you for joining your zoom lessons and showing that excellent attitude towards your learning!

In school the children have been working so hard, despite the heat, and we have had a fantastic final full week of learning.

Next week we are looking forward to enjoying the final 3 days with our teachers and friends before we say goodbye for the summer holidays.

This summer break is so well deserved for all of our children and staff – what a bonkers year it has been but we have stood together, supported each other and continued smiling and shining as we always do – Team Sunnyside you are incredible!

On Tuesday the 27th July our children will be taking part in the race for life, to raise money for cancer research UK. On this day can we make sure **ALL** children are either in or bring their P.E kit with them. Sponsorship forms to be filled in and returned back to the office before the 26th July. This is for a GREAT cause so let's get behind it and raise as much money as we can.  
**TOGETHER WE WILL BEAT CANCER!**

### Year 6 Carnival BBQ

Our year 6 children will be having their Carnival BBQ on Tuesday 26<sup>th</sup>, this will be in place of their usual school dinner so there is no need to bring a pack lunch if that is what you would usually have. We will be having a feast of beef burgers, veggie burgers and hotdogs! Children can wear bright colourful clothing and lots of glitter if they have it, do not worry if you do not as I am sure Miss Lee has plenty!

Also on Wednesday 28<sup>th</sup> year 6 will be having their shirt signing and whole school clap out at 2:30pm, parents are welcome to come and watch but this must be socially distanced from outside the school gates.

### To ensure that we can ALL stay as safe as possible –

Please remember if your child or anyone in your household shows **ANY** of the following symptoms:

- A high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- A new continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- A loss or change to their sense of smell or taste – this means you have noticed you cannot smell or taste anything, or things smell or taste different to normal.

**You MUST get a test ASAP. Contact 119 or book a test online at –**  
<https://www.gov.uk/get-coronavirus-test>

Do not bring your child into school and you must isolate and wait for the result of your test. Please inform school **0115 917 4310** if your child receives a positive result to ensure that we can act ASAP. If you receive a positive result at the weekend, please call and leave a message on our **school mobile – 07812484044.**
