Sunnyside Newsletter

What a fabulous week we have had at Sunnyside, all of our children are shining brightly and are working incredibly hard.

It always feels fabulous walking into a classroom to be greeted by excited children who are desperate to share their learning with you. They can talk about what they have learnt before that has helped them with their new learning and they can show such a good understanding and depth in learning too. Just ask your child to explain what they have been learning and they will tell you all about it.

You will have already received a copy of your children's knowledge organisers earlier in the week, which will help you to talk to your children about their new topics. These include vocabulary and key questions as well as key events and concepts that they will learn across the term.
