Sunnyside Newsletter

What a fabulous half term we have had! It has zoomed past and it has been so packed with learning!

This week at school we have had a focus on Mental Health and Well Being and a focus on E-Safety too! The children learnt about how important it is to keep themselves safe online and different ways they can do this.

This is incredibly important as the use of IT at home and at school has become part of everyday life. The children were fantastic at explaining what they would do and that they would always talk to an adult. They used our safety moto – ‘No matter how small, we will always tell an adult’.

Please find attached to our newsletter this week the results of surveys and pupil voice from last term. These made us feel really proud as a 100% of our children said they felt safe at Sunnyside and they knew who to talk to if they had a worry! On our Parent questionnaire 100% of our parents who completed the survey said that they would recommend our school to others. We thank you for your feedback and we feel that working together we can continue to SHINE!

Have a fabulous half term and we look forward to seeing you after the holidays!

Safer Internet

This week we have been supporting Safer Internet Day as it's vital that the children understand how to keep themselves and others safe online.

@UK_Sic have a fantastic range of free resources to help children and young people explore reliability and trustworthiness online.

PE Kit

Please remember that our school PE kit is Black/Navy shorts/tracksuit bottoms and a plain white T-Shirt.

The children are to wear their school jumper or cardigan over the top to ensure that they continue to look smart in uniform.

Please support us in ensuring that your child is wearing the correct PE kit on their PE days.

Pride Pound Winners

Our Pride Pound winners for w/c 7th February are Cherry Blossom.

This is a fantastic achievement and the children will receive a class reward next week in school.

Well done!
