Sunnyside Newsletter

What a fun packed week of learning we have had this week!

Year 6 have been on a safety zone trip to learn all about keeping themselves safe - this included learning first aid, CPR, keeping themselves safe near water and what to do in the event of a fire! The children really enjoyed the visit and, as always, we were given feedback about how wonderful our children were during whilst there! Well done Year 6 you always make us proud.

Across the school we have been very creative this week. In year 5 our children have been busy learning how to make trusses in their design and technology lessons. Year 1 and 2 have enjoyed playing percussion instruments to create safari sounds inspired by Camille Saint-Saens Carnival of the animals.

This week we also held our first Sunnyside University Day which was a great success. Our children took part in learning that they had chosen as part of their 'Respect' groups. They worked with children in their group from all ages across the school allowing them to support and learn together as a whole school. They took part in activities such as cookery, gardening, mindfulness, rapping etc. I bet they can't wait to tell you all about it!

Well done Sunnyside – we are already excited about our next University day!

Second Hand Sale!

We will be holding our first second hand sale on Friday the 14th October at 3:30pm in the school car park.

Please can we ask that if you have any old uniform, world book day costumes, Halloween outfits that these be handed in to your child's class teacher and they will all be used towards raising funds for our school!

Thank you for your support!

Year 2 Music

Year 6 PE

Questions of the Week

Each week we will be sharing some questions from your child's class teacher to help them share their learning with you.

EYFS – 1. Tell your grown up 3 things you like
2. Can you name 5 different parts of your body?

Year 1 – 1. If you could design your own house, what would it look like?
2. Put these numbers in order, starting with the smallest - 6,1,10 and 9

Year 2 – 1. What do you know about the Nottingham Ice Arena?
2. Can you count in 5's?

Year 3 – 1. Can I explain what happens to materials when they are heated or cooled?
2. What do I know about Goose Fair?

Year 4 – 1. What are the features of a Non-Chronological Report?
2. What is an expanded noun phrase?

Year 5 – 1. How does the periscope work?
2. What are trusses and what are they used for?

Year 6 - 1. Can you name 3 fire hazards that you might have in your home?
2. Which number would you call if there was an electrical emergency?

Eco Question of the Week: How much food do you think your household wastes every week? Can you think of 1 top tip you could share within the community?

Pride Pound Winners

Our Pride Pound winners for w/c 19th September are team Self-Awareness.
