# Sunnyside Newsletter

What a super week of learning we have had this week. Our children are fully immersed in their new topics and have shown such enthusiasm towards their learning. They wow us every day with their curiosity, questions and desire to learn more.

To support your child's learning at home the best thing you can do is read, read, read! We want all of our children to love books and sharing these at home will encourage this love. Research shows that early reading with children helps them learn to speak and interact, as well as bond with parents. Benefits of shared reading time also include fostering the development of listening skills, spelling, reading comprehension and vocabulary, and establishing essential foundational literacy skills. Early reading with children also helps them become early readers themselves. And reading at an early age has been shown to contribute to children's academic successes, their critical thinking abilities and their creativity and inquisitiveness. Also, early exposure to books is proven to help increase a child's brain development and better prepares them to learn.

## Uniform

You may have seen in the media recently lots of information about the DfEs guidance around school uniform expectations. We as a school, have always tried to make our school uniform easily accessible and affordable for parents. We have no expectation that our children wear logoed uniform and all uniform can be bought at local supermarkets and high street retailers. I have attached our Uniform Policy for you to read and you will also find this on our website. Our only request is that our children look smart, wear the correct colour (**Navy jumper/cardigan, black/grey trousers/skirts** and wear **black school shoes** (not trainers).

Please can parents also ensure that on PE days children wear a **plain white T-shirt** (these can be sourced in local supermarkets for a few pounds), **black/Navy shorts** and **Trainers/Plimsoles**. Bright coloured PE kits/tracksuits/football shirts are not to be worn for PE.

Y3 - Maths

### Questions of the Week

Each week we will be sharing some questions from your child's class teacher to help them share their learning with you.

EYFS – 1. Who is in your family?  
2. Where do you live?

Year 1 – 1. What number do I call in an emergency?  
2. Do I know where I live?

Year 2 – 1. What materials can you find around your house?  
2. Can you count in 10's?

Year 3 – 1. Can I find where I am from on a map?  
2. Can I sort materials into liquids and solids?

Year 4 – 1. Why is it called Goose Fair?  
2. Who died in the Nottingham castle dungeon?

Year 5 – 1. What are contour lines and what do they tell us?  
2. What skills do we need to work cooperatively

Year 6 - 1. What is your full name and address?  
2. When is your birthday?
