Sunnyside Newsletter

We've had a fabulous week this week, full of positivity and smiles. We started the week with Mini First aid courses for our Year 2 – Year 6 children. They learnt about keeping safe in an emergency and calling 999 for help, as well as how to do CPR and deal with bleeds, burns, choking and more. They also had the opportunity to practise their skills on our CPR manikins! The children were incredible and really enjoyed these sessions!

This week has also been full of fabulous writing. The Year 1 and 2 children have written such amazing letters to everyone at Sunnyside encouraging them to pick up their litter and recycle too. Well Done!!

At Sunnyside we work closely with the Mental Health Support Team who some of you may have seen during our Parent Consultations.

They are an incredible team that we are very lucky to have working with our children. If you feel like your child may need some support with their Mental Health and Well Being you can self-refer your child directly to the team – follow this QR code.

Questions of the Week

Each week we will be sharing some questions from your child's class teacher to help them share their learning with you.

EYFS – 1. Can you name two things that happen in winter?
2. Tell your grown up two celebrations that happen in Autumn?

Year 1 – 1. Name a material you can twist?
2. What colours would make an effective sunset picture?

Year 2 – 1. Why do we write letters?
2. Can you recall your 10 times tables?

Year 3 – 1. What are the four steps of the water cycle?
2. Can I explain what a preposition is?

Year 4 – 1. What defences are there for coastal erosion?
2. Where would you find a shingle beach?

Year 5 – 1. What are the features of a diary?
2. Why are circuit diagrams and circuit symbols useful?

Year 6 - 1. Why do we use symbols when drawing circuits?
2. What are the main causes of climate change?
